

GRADUATION AND PROGRAM COMPLETION REQUIREMENTS

Graduation from the PA DOH WIC DI Program will occur if there is successful completion of the following:

- A minimum of 1009 supervised practice hours are completed and documented on the Daily Supervised Practice Hour Log.
- All required documentation for each rotation has been submitted to Preceptors and PA DOH WIC DI Program Director following each rotation.
- The intern has completed all required assignments/activities/rotations satisfactorily as assessed by the Preceptor and/or PA DOH WIC DI Program Director's grading process.
- The intern has no outstanding financials or negative circumstances pending with any rotation sites and/or the Commonwealth.
- The intern has demonstrated ethical and professional performance in accordance with the values of the Academy of Nutrition and Dietetics and has performed competencies and activities as an entry-level practitioner through "satisfactory" completion (as determined by the DI Director) of all scheduled supervised practice competencies, activities and rotations.
- REPS information is completed and accurate.

All required Daily Supervised Practice Hour Logs, evaluation forms, surveys, intern self-assessments have been submitted by assigned due dates.
